

Game Day Schedule / Responsibilities

- Visiting coach will (M-F and first game Sat.):
 - Make sure tee, catcher's helmet, and ball bucket w/4 balls are at the backstop upon arrival.
 - If the above items are not at the backstop when you arrive, they will be at the small red barn by T-Ball Field #6.
- Practicing prior to game start:
 - No one may be on the fields prior to 5:15 pm (M-F) or 8:15 am (Sat.)
 - Teams should get approx. 15-20 minutes of infield time to practice.
 - The team arriving first will get infield practice first.
 - Saturdays will vary in time for practice on infield, pending prior game's end.
- Snacks – Verify that snacks have been brought prior to game. It's not an issue if they're forgotten. However, some parents that forget will have time to still get some, if they choose.
- Game time should start at scheduled time, however a 15 minute grace period is in effect should a player shortage occur, etc.
- End of game:
 - Players line up in front of their team dugout (on foul lines) and walk toward opposing team (passing at Home plate), holding out hands to tap/slap... some will also say "good game".
- Teams should have a brief meeting after each game, encouraging players on a game well played. This can also serve as a reminder to parents for upcoming practices and/or games, etc. Snacks can be passed out at this time.
- Each coach will clean-out their dugout, making sure no team items are left behind. Please check your side's fan bleacher area for trash, as well.
- Home team coach will (M-F and last game Sat.):
 - Place tee, catcher's helmet, and ball bucket w/4 balls by the backstop. A TJB Board Member will put them away.
